## Trustees' Report 2011/2012

Trustees of the Ranaviru Fund have the pleasure of producing this report for the Financial Year 2011-2012.

A total of £5,203 carried forward from the financial year 2010/2011.

A total of £1,078 received as donations during this year with an addition of £2 received as bank interest.

During the financial year the Charity has not invested any funds in particular from its reserves. The main reason for this was there were sufficient funds available to utilise in ongoing projects in Sri Lanka. Funds previously transferred from the UK reserves were carefully invested as a matter that the charity has seen a significant drop of sustainable donations in the UK it receive.

During this financial year Ranaviru Fund has provided financial assistance to complete 2 further disabled friendly washrooms for the benefit of 2 handicapped soldiers at a cost of approximately £325 each (LKR 65,000).

In addition a laptop computer was donated for a facility dedicated for visually impaired soldiers. This has cost approximately £400 (LKR 79,537.50).

At the end of the financial year 2011/2012 a total of £6,283 retained in the Charity's bank account.

Every possible measure has been taken by the Trustees of the charity to minimise the administrative costs and other operational costs to the charity to a minimum. It is our pleasure to state that such costs are nil in this financial year.

Charity Trustees would like to thank and extend their warmest gratitude to everyone who supported the charity and its causes in numerous ways.

Yours faithfully,

Dhammika Siripala
